- Digital Mortise Door Handle-Set
- RF Card & Mechanical Key
- 65mm Backset Mortise
- Silver

Unlock your life with smart solution
Leave your home security to Be-Tech

Various access
Be-Tech DMM4 has two access solutions, RF Card key or Mechanical key for your convenience.

Operation status notification
Whenever any operation is made, the LED indicator informs you what is happened through different color and blinking.

Automatic locking
The Be-Tech Digital Door lock automatically locks the door after checking it is properly closed. (Manual operation is also available)

Missing key invalidation
Once you lose your key, it has no validation as long as you re-register rest of your keys.

Emergency power
When the batteries are completely discharged, you can easily supply emergency power to the lock with the standard 9V battery.

Low battery warning signal
A continuous "beep" sound during door access will alert you to replace batteries.

Mechanical key override
For emergency, it can also be unlocked with a mechanical key.
